

# SERMON NOTES

SERMON BY: PASTOR ORLANDO EDWARDS

DATE: Feb 9, 2025

## SERMON TITLE

### The Process of Planting

## OBJECTIVE

To break and detach from sin habits that keep us spiritually barren.

## SCRIPTURE REFERENCE

Mark 4:26-29; Galatians 6:6-10

## KEY POINT 1

### Principles of Natural Planting

- Plant Diversity
- Nominal Soil Disturbance.
- Preserving Soil Cover
- Suitable Plant Placement Based on Sunlight Needs.
- Bearing in Mind the Mature Plant Size.

## KEY POINT 2

### Principles of Christian Planting

**\*\*** Very similar to natural planting.

- Spread the Word to all nations. (Matthew 28:19-20)
- Embrace people without changing them. (1 Cor. 9:22)
- Cover the weakness of others. (Romans 15:1)
- God properly places us. (1 Cor 12:18)
- God's love knows how to space us. (Eph. 3:18)

## KEY POINT 3

### 4 Attitudes of Planting

- Timing (Eccles. 3:1-2)
- Behavior (Philip. 2:14)
- Patience (James 1:2-4)
- Anticipation (Hebrews 11:7)

## ABSORB

Every believer has an opportunity to deposit a piece of the living seed (Jesus) in the heart of someone every day.

## CONCLUSION

Our mission from Jesus is not a request but a command, Go, and make disciples! Let us become more intentional about our life, our presentation and our delivery of God's grace.
