TARGET

To stimulate a wholesome relationship with Christ that He might access our entire life.

Romans 3:23 NKJV

ABSORB

Jesus is concerned and committed to the details of your life.

CONCLUSION

Infections, thoughts of defeat, anger, isolation and identity issues were sourced out to man during the fall. Jesus died for us all and rose from the dead with all power in His hands. He now is with the believer in every experience. We now are cured from Satan's illusion of God's abandonment and are healed by His Son through the shedding of blood.
