

SERMON TITLE

The Activated Christian

TARGET

That we might experience and distribute the vastness of God's Glory to every person or community given to us.

SCRIPTURE REFERENCE

James 2:14-26 NKJV

ABSORB

Our life calls for a daily self-examination as if we are people of action or words only.

CONCLUSION

Our life demonstrates that genuine, saving faith is always proven by obedient, tangible actions (works), not just mere intellectual assent or good intentions; true faith results in practical love for others, meeting needs, and glorifying God, showing it's a living, transformed life, not a dead, useless belief.
