

## SERMON TITLE

GREATNESS

## TARGET

That we might be reminded what we have been blessed to have and privileged to give.

## SCRIPTURE REFERENCE

Luke 9:46-56 NASB

## ABSORB

Be careful about the standard used to project significance to others, only the Lord determines who rises or falls (Psalms 75:7).

## CONCLUSION

True greatness in God's Kingdom isn't about status or power, but about humbleness, non-selfish service, receiving the vulnerable (child likeness), and a steady focus on Jesus's mission, even when it seems irrational or costly.
