

SERMON TITLE

Man Overboard:
When Disobedience Creates A Storm

TARGET

To compel us to recognize that running from God's purpose leads to self-destructive, unnecessary storms that negatively impact others, ultimately calling us to repentance and voluntary submission to God's authority.

SCRIPTURE REFERENCE

Jonah 1:1-17 NKJV

ABSORB

Sometimes the storm only ceases when we surrender our disobedience and surrender to God's will.

CONCLUSION

Disobedience creates unnecessary storms, but God uses them to discipline and redirect us. When we finally submit, God brings peace not only to us but also impacts those watching.
