SERMON TITLE

Introducing The Messiah

TARGET

To prove that Jesus is not merely a prophet or a good teacher, but the eternal Creator.

SCRIPTURE REFERENCE

John 1:1-18 NKJV

ABSORB

The Creator became flesh to personally reveal Himself to us. Jesus isn't just a messenger; He is the living, breathing translation of the Father. This means you don't have to guess what God is like—look at Jesus.

CONCLUSION

The conclusive message of these 18 verses is that Jesus is not just a prophet or a teacher, but God in human flesh. Every point in the sermon (from His role in creation, to bringing light into the darkness, to offering grace and truth) resolves into this one reality: Jesus is the exact manifestation of God the Father.
