

SERMON TITLE

Follow Jesus

TARGET

Come with us through this lesson to receive the radical invitation to follow Jesus.

SCRIPTURE REFERENCE

John 1:35-51 NKJV

ABSORB

We are asking you to leave your preconceived notions behind to personally encounter the Son of God, and then actively inviting others to "come and see" who He is for themselves.

CONCLUSION

Take the invited challenge to lay down our old, self-directed lives and identities, just as Simon was renamed to Peter. Trust that following Jesus requires humbling ourselves and trusting in His strength.
