SERMON NOTES

SERMON BY: PASTOR ORLANDO EDWARDS

DATE: **Oct 25, 2026**

SERMON TITLE

Perfect Timing

TARGET

To learn to restrain ourselves from the pressures of rushed public opportunities and worldly success, that God's will might manifest in us at His set time for His glory.

SCRIPTURE REFERENCE

John 7:1-9 NJKV

ABSORB

God's restraints and exposures in our lives are producing a greater depth of His grace through us than we can ever imagine.

CONCLUSION

Trust God's sovereign (kairos) timing over human pressure. Do not rush God's plans to please the world or seek premature glory. Jesus waited quietly in Galilee because His hour had not yet come, reminding us to walk faithfully in obedience until God opens the door.
